

Kick off the Season with a Hometown Holiday Celebration

The City will host a day of cheer at the Cudahy Family Library on Saturday, November 27th to mark the start of the holiday season.

The celebration begins at 11:00 a.m. when Santa Claus arrives at the library for a sing along and picture session. After Santa heads back to the North Pole, stick around for crafts, coloring and other family activities.

At dusk, Mayor Tony Day will “hit the switch” to light the City’s Holiday Tree just outside the entrance to the library. The Cudahy High School Choir will sing carols and the Cudahy Lion’s Club will provide hot cocoa and cookies.

Join your friends to ring in the holiday season!
